The total number of companies able to participate in Junior Section competitions was 7. This year saw an average turnout of 51% this is a decrease of 16% on last year. This year has been a steady year for Gold Badge awards with 15 presented, although this is just under half the number presented last year. Again as has been reported in previous years it is essential that we as a Battalion retain a higher percentage of these third year Junior Section boys as they move into the Company Section. This year has seen a full year of competitions for the Junior Section with no cancellations. Congratulations to 14th Lanchester, who retained the Westwater Trophy with 132 points.

The total number of companies able to participate in Company Section competitions was 6. This session saw an average turnout of 68%. This was a dramatic increase (+28%) in the number of companies entering with an average of 4 companies entering the Company Section competitions and an average of just over 5 teams taking part in most competitions. It is encouraging to see a resurgence in the Company Section competitions, let us hope this upward trend continues. The Senior 5 A-Side was cancelled due to there being only one company able to take part and the Athletics was once again a victim of the weather.

We as a Battalion had a steady year in regard to the major Company Section awards, with 3 Presidents and 4 Queens Badges being presented.

Congratulations to 2nd Consett, who retained the Harrison Trophy with 87 points.

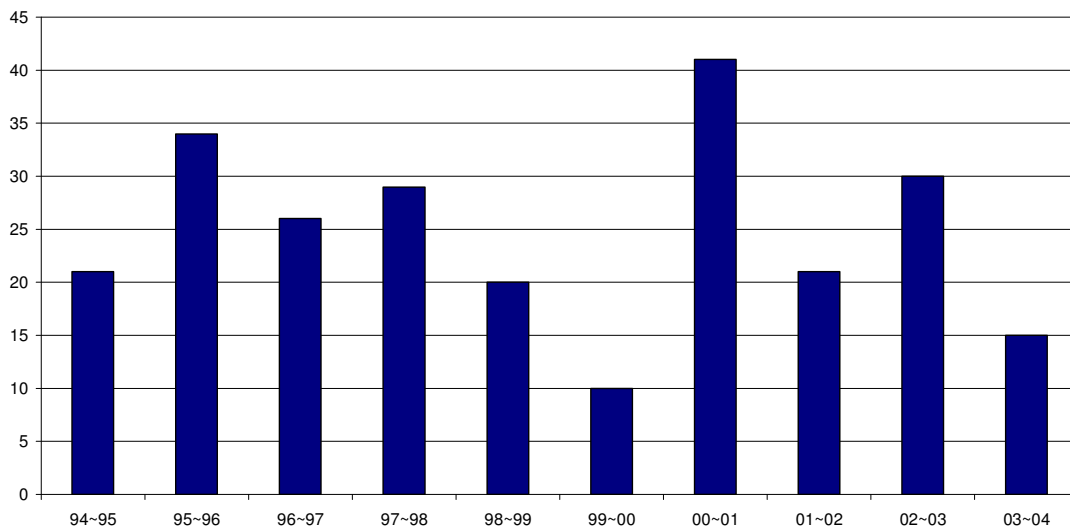

On behalf of the Battalion and the lads who take part I would like to thank all officers and helpers who have organised and helped out at the competitions, without their dedication competitions in the Battalion would not be possible.
