The total number of companies able to participate in Junior Section competitions was 7. This year saw an average turnout of about 45%, down again on the previous year. This year has seen an increase in the number of Gold Badge awards with 15 presented, however 12 of those were presented by two companies. We have seen the Junior Section competitions continue to struggle this year with an average of only three (down from four last year) teams at the competitions.

Unfortunately the 7 A-Side and the Field Day were victims of the glorious summer that we had this year. Congratulations to 2nd Consett who win the Westwater Trophy with 110 points.

On behalf of the lads who take part I would like to thank all of the officers and helpers who have organised and helped to run the competitions, without their dedication competitions in the Battalion would not be possible.
